

THE UK CAR CRIME LEAGUE BY GEOGRAPHICAL DISTRICT

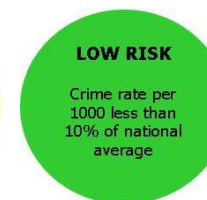

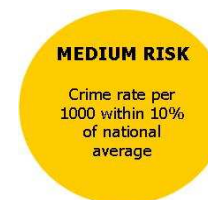

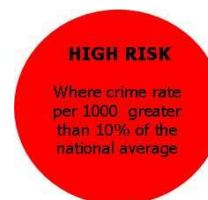

KEY TO LEVEL OF RISK OF CAR CRIME BY DISTRICT

In July 2009, the Home Office published the police recorded crime results for the 2008/09 financial year.

Nice 1 Limited have performed an in depth analysis of the figures, and present this report, the first in a series that examine the results in fine detail, and present them in a more user friendly format.

This first report examines Car Crime in the UK, displaying the results so that the reader can see, at a glance the high, medium and low risk areas for Car Crime.

The report is displayed in descending order of the Car Crime by local authority district.
